

Grievance Redressal - 2021-22. Date

The Grievance redressal cell at our college follows established procedures to receive, investigate & resolve complaints related to academics, administration, discrimination, harassment or any other issues affecting the college community.

Each grievance is meticulously documented and analyzed to understand its nature, scope & potential impact on the college community.

Over the period of time i.e 2021-2022, many students were not happy with unidentified teaching faculties, had problem with library facilities and cleanliness of the college campus, as lot of construction work was ongoing.

The committee maintained open communication and resolutions were made aimed with a goal to ensure fairness, transparency & upholding the principles of justice & equality within the college environment.
