

2018-2019 Grievance redressal Date

The grievance redressal committee of our college serves as a platform for students & staff to address & resolve their grievances.

It is composed of Principal, faculty members & student representatives.

We here at Shri P. H. G. Muni Arts & Sci college, Kalol have established procedures of submitting the grievances through various channels including in person meetings, at regular intervals of time, emails, online forms & suggestion boxes. Students representatives have a major say in any student centric issues like water issues, cleanliness, toilet issues, parking facilities, faculty issues etc.

Over the period of time i.e. 2018-2019, students were highly satisfied with the library facility, toilet & water facilities, teaching & nonteaching staff & ~~also~~ extra-curricular activities of the college. Apart from minor complaints no major complains were filed by the students.
