

2019-20 Grievance Redressal Date

As a part of Grievance Redressal cell, we conduct thorough investigations, gathering relevant information & evidence to assess the validity of the complaint & identify underlying issues. The cell also formulates recommendations & proposes appropriate actions to address the grievance & prevent its recurrence.

During this period of time i.e 2019-2020 the students responded positively for different aspects, particularly admiring the discipline maintained in the college.

Apart from minor incidences of complaint for unidentified teaching faculty, no major issues were raised by the students.

Valid complaints were addressed & resolved by the committee members.
