

Grievance Redressal - 2020-21 - Date

The members of the Grievance redressal cell were selected based on their integrity, impartiality & ability to handle sensitive matters with discretion & professionalism. The Grievance redressal cell of our college serves as a vital mechanism for addressing & resolving concerns, complaints & grievances raised by students within the college community.

During 2020-2021, many students were not happy with the existing toilet & water facilities. Also some students complained for Joshi sir, a senior teaching faculty of English. Constructive dialogue & negotiations were carried out between parties involved aiming for amicable resolution whenever possible.

The committee ensured that recommended actions are implemented effectively and also addressed any lingering concern.
